MAXILIN

The world's first
antibiotic-resistant probiotic.
Antibiotics destroy both
harmful and beneficial
microflora.

MAXILIN STORY

In 1980, a scientific conference was held in Japan on the development of biotechnology, where leading microbiologists of the time were invited.

Scientists spent 7 years adapting the bacterium to antibiotics and other negative factors, **preserving its benefit to the microbiome.**

Key dates:

- **1994** – patented as a medicine
- **1996** – Grand Prix of the CIS Biotechnology Exhibition
- **2005** – registered as a dietary supplement
- **2019–2021** – three enterprises opened in Kazakhstan (Almaty region, Almaty, Aktobe).

History:

Used by the military in combat conditions (Afghanistan)

Tested in oncology clinics, helping to tolerate chemotherapy

Has clinical acts and Eurasian patent

70% of immunity resides in the gut

The guarantee of which is the correct ratio of micro biome, where **80%** is acidophilic lacto bacteria, **18%** bifido bacteria and **2%** pathogenic microflora. It can be said a whole organ, the total mass is between 1 and 3 kg. The intestine of a healthy person contains about 500 varieties of beneficial bacteria and the role of acidophilic lacto bacillus to suppress the growth of pathogenic microflora and stimulate the growth of lacto- and bifido flora, have antiviral effect. Normal microflora, is one of the ways to stay healthy and protected from penetration into the body of pathogens of various diseases.

Stay Healthy

With balanced microflora

Vitamins A, B1, B2, PP, E, C, biotin and other micro/macronutrients in the product help the body to improve immunity and cope with infections.

Nutritional value in 100 g of the product: protein – 3.2%, fats – from 1.5 to 3.6%, carbohydrates – 5.2%.

Energy value: 59 kcal/100 g.
Maxilin contains:

COMPOSITION

Vitamins (mg/100g):

A– 0.13; E– 0.92;
B1– 0.19; B2– 1.08; PP– 0.17;
C– 0.16.

Micronutrients (mg/100 g):

calcium–113; magnesium–10;
potassium–143.

Microorganisms:

probiotics: CFU 1.42 x 10

Antibiotics and their effect on microflora

Modern treatment makes extensive use of antibiotics and chemical drugs. However, taking **4-5 drugs at the same time** causes side effects and can provoke new diseases.

Antibiotics **destroy the microflora**. Even a single use – in the form of an injection, tablet or food containing antibiotics – disturbs the balance of the body.

Recommended for diseases:

SUPPORTS DIGESTIVE & SYSTEMIC HEALTH

- In GI and liver diseases (hepatitis, cirrhosis, gastritis, pancreatitis, colitis, constipation, lactase deficiency).
- In intestinal infections (dysentery, salmonellosis, rotavirus, enterovirus).
- In poisoning, intoxication, hangover syndrome, detox programs.
- In skin diseases (dermatitis, eczema, psoriasis, urticaria, diathesis).
- In diseases of the genitourinary system (cystitis, urethritis, prostatitis).
- In female diseases (colpitis, endometriosis, cysts, myomas, infertility).

SUPPORTS IMMUNITY & OVERALL WELL-BEING

- In problems of the respiratory system (acute respiratory viral infections, maxillary sinusitis, sore throat).
- In autoimmune diseases.
- With diseases of the musculoskeletal system (arthritis, osteochondrosis, osteoporosis).
- With reduced immunity.
- With metabolic disorders (obesity, gout).
- During chemotherapy and radiotherapy.
- In disorders of the endocrine system (thyroid, pancreas, ovaries, adrenals).
- In diseases of the heart and blood vessels (hypertension, atherosclerosis, stroke, heart attack).

MAXILIN

– from day one and for
the whole family!

Compatible with
medications and antibiotics.

Safe for the whole family –
kids, adults and seniors.

Recommended when
planning pregnancy to create
a healthy environment for
the unborn child.

Nº2: Cashback Bonus:

Income for Sales Enthusiasts

You earn from 50% to 100% from your personal sales made through your product referral link.

How it works:

You send a client your personal product link to your online store. The client makes a purchase for any amount — and you receive **50% to 100% cashback**, depending on your registration package. Additionally:

- **+50% of PV** is credited to your small leg as a repeat purchase and is also counted for all upline leaders.

- For every **\$125** in product sales made through your product link, you receive 1 month of account activation as a gift.

Nº2: Matching bonus

Depending on your status you get **10%** of earnings on the binar of your personal partners up to **3 lines**.

Status: PARTNER, MANAGER. BRONZE - 1 line 10%. SILVER, GOLD, PLATINUM - 1, 2 lines of 10%. DIAMOND, DIAMOND MANAGER, GRAND DIAMOND - 1,2,3 lines 10% each.

Example:

Partners of your structure in 3 lines have earned ₹1,00,000 bynar, your income from each partner will be:

1 line: ₹1,00,000 - 10% = ₹10,000	} 3 line ₹1,00,000 * 10% = ₹10,000.
2 line: ₹1,00,000 - 10% = ₹10,000	
3 line: ₹1,00,000 - 10% = ₹10,000	

If you invite 5 people to the first line and help them duplicate you to the 3rd line, you will end up with 155 people.

155 * ₹10,000 = ₹15,50,000.

Matching bonus

01	Line 1: 10%		5 persons
02	Line 2: 10%		25 persons
03	Line 3: 10%		125 persons

Total: **155** people.
Their monthly income was
₹1,00,000.

$155 \times 1\,000 = \text{₹}1,55,00,000$
Your income: **₹15,50,000**
